## Detailed Information

### DRAFT RECOMMENDATIONS

See below draft recommendations discussed at the previous meeting of Scrutiny Panel A. Note that the final report presented to Cabinet will include all information considered by the Panel during this review as well as expanded background information on each approved recommendation.

Cabinet be recommended to:

- a. *Further explore the possibility of expanding the e-training modules regarding the Armed Forces Covenant, Housing and Homelessness for frontline staff, across all sections of the Council.*

Members were made aware of several e-learning opportunities that could be made available to relevant Council Staff and agreed that further training is vital to ensure staff can help support the Armed Forces Community.

The currently available training modules include:

- Module 1: The Armed Forces Covenant for Frontline Staff
- Module 2: Housing, Homelessness, and the Armed Forces Covenant

Members have also stated that similar e-learning/training opportunities will be valuable for Elected Members to undertake.

- b. *Commend the work undertaken so far by the Council's Senior Community Engagement Officer in supporting the Ashfield Armed Forces community.*

Following discussions held with the Council's Senior Community Engagement Officer as part of the review process, Members came to understand the breadth of work undertaken so far to support the Armed Forces Community and to achieve the Silver Employer Recognition Award. Panel Members recommend that this work be commended.

- c. *Explore the potential to designate an Armed Forces representative in each section of the Council.*

The Panel recommends that each service area have an armed forces representative to ensure that the Council has sufficiently trained officers to support service delivery regarding the Armed Forces Community. This includes staff training, advice and ensuring that each area remains informed on all relevant social data. Providing a network of representatives also ensures that the Council has a unified approach to sharing relevant information within different service delivery points to improve the lives of armed forces veterans and ensure that they receive the appropriate support.

- d. *Support and continue to commit to achieving the MoD Gold Employer Recognition Award through the Defence Employee Recognition Scheme.*

The Defence Employment Recognition Scheme recognises the commitment and support from UK employers for Defence Personnel. The scheme comprises bronze, silver and gold awards for employers who support those who serve or have served in the Armed Forces and their families.

The Council is currently working towards achieving the Gold award and it is hoped that a nomination might be forthcoming in early 2021. To achieve the Gold award the Council must demonstrate the following:

- must have signed the Armed Forces Covenant.
  - employers must have an existing relationship with their National Account Manager/REED/appropriate defence representative.
  - the employer should already be demonstrating support by receiving an ERS Silver Award.
  - the employer must proactively demonstrate their forces-friendly credentials as part of their recruiting and selection processes. Where possible, they should be engaged with Career Transition Partnership (CTP) in the recruitment of service leavers and have registered for the Forces Families Job (FFJ) portal.
  - employers must employ at least one individual from the armed forces community category that the nomination emphasises. For example, an employer nominated for support to the Reserves must employ at least one Reservist.
  - the employer must actively ensure that their workforce is aware of their positive policies towards defence people issues. For example, an employer nominated for support to the Reserves must have an internally publicised and positive human resources policy on Reserves.
  - the employer must be an exemplar within their market sector, advocating support to defence people issues to partner organisations, suppliers, and customers with tangible positive results.
  - within the context of Reserves the employer must have demonstrated support to mobilisations or have a framework in place. They must provide at least 10 days' additional leave for training, fully paid, to the Reservist employee.
  - the employer must not have been the subject of any negative public relations or media activity'.
- e. *Continue to develop a robust and purposeful Reservist Policy to assist and support employees as required.*

The development of a robust and purposeful Reservist Policy is essential for supporting employees and to meet one of the criteria set out within the Defence Employer Recognition Scheme as the Council continues to work towards the Gold Award.

- f. *Commit to increasing awareness across the Council and embedding ongoing support for the local Armed Forces Community within the Council's Corporate Plan.*

The Corporate Plan sets out the Council's key ambitions and priorities for the period 2019 – 2023 as approved by Cabinet and endorsed by Council. Scrutiny Panel A Members recommend that the Corporate Plan should include reference to supporting the local Armed Forces Community as a commitment to increasing awareness across the Council and embedding support for the Armed Forces Community into the Council's priorities and objectives.

- g. *Develop an Armed Forces Welcome Pack designed to support the Armed Forces Community with the transition to civilian life in Ashfield.*

Throughout this review, Members have discussed the benefits of the Council producing a 'Welcome Pack' designed for those who have served in the armed forces or family members of someone who has served in the armed forces.

Members previously agreed that the pack should include the following key information:

- Introduction (who the document is for)
- Foreword from the Council's Armed Forces Champion
- Housing – buying a home, renting a home, homelessness, electoral registration
- Employment – signposting, starting your own business, volunteering
- Health – signposting, domestic abuse
- Benefits & Taxes – general money management advice
- Community Safety
- Leisure and Tourism
- Service charities – details of charities that can offer advice, support, or practical help

## **NEXT STEPS**

Once the Panel has approved a set of recommendations, work will be undertaken, in conjunction with the Chairman, to produce a final report to Cabinet. The final report will summarise the information considered by the Panel through the course of the review, as well as the evidence and rationale for each recommendation. The Panel will be updated once the report is presented to Cabinet.
